ASP Bath Manufacturers has been designing and producing high quality Bathroomware for more than 20 years. Our specialist artisans and innovative manufacturing processes facilitate the production of uniquely styled quality products. ASP designs range from free-standing and built-in baths to shower trays and basins.

The critical selection of raw materials and strict adherence to quality monitoring processes at our numerous production facilities throughout South Africa has enabled us to provide a 10-year warranty on all ASP products.

Recyclable Material

Prestine high gloss finish

Retains heat longer

Easy to clean

Cross-Linked Acrylic

10 Year Guarantee
